— NOTE THE QUOTE —

"This is a very intriguing player. I remember watching him on tape early on. It was just like, 'Man, this guy is making plays all the time.' He lines up as a receiver; he's catching the ball as a wide receiver. He lines up at tight end. They motion him. They run him in boots – in the drag boots and things – and he's just really electric. He runs downfield. Sometimes he blocks people and knocks them off their feet downfield. He's just an interesting guy, but when you watch him, it's not like an obvious position fit; he's just a playmaker-type guy."
